Wolf Medicine is that of the teacher, the pathfinder, and the mentor. Through teachings and practices held sacred by indigenous cultures for thousands of years, this guidebook takes the reader on a shamanic journey to wholeness and knowledge, spiritual understanding and personal growth.

Path of the White Wolf

by Robin Tekwelus Youngblood & Sandy D'Entremont

In today's modern world, many of us are yearning for connection and satisfaction in work, relationships, and spirituality. In ***Path of the White Wolf***, co-authors Robin Tekwelus Youngblood and Sandy D'Entremont combine traditional native teachings with contemporary shamanic practices to guide readers through a nine month journey to spiritual understanding. Through ritual, meditation and a series of exercises, ***Path of the White Wolf*** teaches the reader how to develop their own individual connection to the world around them and a renewed sense of purpose and meaning in their daily lives.

"I have two special words for this book: useful and beneficial. Serve yourself and your whole world by reading and practicing what is given here." –Brooke Medicine Eagle, Author of *Buffalo Woman Comes Singing* and *The Last Ghost Dance*

Robin Tekwelus Youngblood is of Native American descent, with ties to several tribes. By combining her unique heritage with the study of indigenous cultures all over the world, Robin has devoted her life to shamanic healing and practice. She is a popular public speaker, facilitator of spiritual growth workshops, and the author of many feature articles and columns.

Sandy D'Entremont is a life-long student of earth-based spiritual practices. Her shamanic work focuses on supporting women's circles and ceremonies. Sandy is also a published technical writer with over 20 years of professional writing experience, and is currently working on a novel.

The authors are available for readings, signings, workshops and other public appearances. For more information, or to order the book, contact:
